

## **Director Report**

**July 2017**

***“Relate. Connect. Understand”***

### **“Micro” Moment:**

*The 2017 MicroSociety Inc. Conference in Kingsville, Texas brought more accolades to all the MACS stakeholders! Not only did we have a wonderful three day conference collaborating with other MicroSociety educators, we received three recognitions! Congratulations!*

- 1. Four Star Award - Awarded to outstanding MicroSociety Schools that go above and beyond exhibiting the Micro Principles.*
- 2. George Award For Outstanding Administrator of the Year - Amy Bottomley*
- 3. George Award For Outstanding Student Leader of the Year - Ava Tannariello*

### **Enrollment Numbers (as of 7/18/17):**

K - 38	4th - 22
1st - 20	5th - 23
2nd- 21	6th- 23
3rd - 22	7th- 23
Total : 192	

### **Upcoming/Recent Happenings at MACS:**

Amy received a resignation from the new hire for Administrative Assistant. However, she is happy to announce that she was able to find a replacement who will begin on July 18th.

Bill Nardino- Administrative Assistant

*Bill has an associates degree from NH Technical Institute with a concentration in business. He is currently enrolled at SNHU working towards a BA in Sports Management. He has recently served as the Director for the Seacoast United Sports Club in Concord, NH where he oversaw all aspects of the business from registrar, finances, facilities, to scheduling. Welcome, Bill!*

The onsite audit review concluded on July 19th. Teri and Amy were present to answer the accountants questions and provide requested documentation. All went smoothly and we look forward to the audit findings in early September when they are presented to the full board.

We are planning a Volunteer/Club Night for all families on August 31st at 6pm. This is an opportunity for families to hear about volunteer needs/opportunities and background check information/requirements. Students who attend can learn about the upcoming club offers and register for them. A Board representative or two would be welcomed that evening.

**MicroSociety Update:**

MACS Micro Trainer, Sylvia, will be back with the staff in September. We look forward to her visit and for our new hires to begin their Micro journey with her! Staff already have ideas and changes to improve the student's Micro experiences at MACS!

**Building Update:**

Much of the federal startup grant orders are in the building. Now to work on unpacking and distributing.

Summer work is in full swing. Amy and Mike from All Clean Cleaners have made a schedule for summer maintenance, painting and cleaning (floors, etc).

Construction has started! It may be a messy summer....but worth it in the end!

Respectfully Submitted,  
Amy Bottomley, Director
