

MicroSociety Academy Charter School
COVID-19 Policies

During the time MACS is operating under the COVID-19 Reopening Framework for the 2020/21 school year, the following additional policies shall apply, and shall amend or supersede any contradictory language in the schools existing policies.

Disciplinary:

Director has the authority to enforce the safety policies and protocols in the COVID-19 Framework and may remove students from in person instruction if they are unable to follow the safety policies and protocols.

Attendance:

For any student participating in remote learning (including students participating in a hybrid model, on the days they are not participating in person), for a student to be considered present, assigned work must be completed and turned in by teacher assigned deadline. For students who are attending in person instruction, regular daily attendance policies still apply.

Any student absence under the COVID-19 Reopening Framework (eg; with a COVID-19 positive test, assumed positive or quarantine requirements) shall be an excused under the schools attendance policy and require documentation.

Adopted:
