Monday, January 11, 2021

I. Board Meeting Called To Order

- A. 9:03am. Present, Tom Dougherty, Tom Malone, Amy Bottomley, Amanda Schneck.
Absent: Andrew McWeeney, Barbara Halevi.
- B. We discussed the data that Amy provided us on test scores in a few different towns in New Hampshire. We are looking to narrow down a tentative city/town for replication
- C. The goal of the expansion is to create the opportunity for the second location to feed our 6-8 grades.
- D. Our current building - 11 classrooms. We need to look for a commercial building that has at least 9 classrooms.
- E. Consensus is to expand in Nashua to help keep our enrollment up in grades 6-8. The committee will begin exploring potential locations for the second location.
- F. Tom D and Tom M created a list of companies supporting charter school build outs. We will reassess these companies as we have more information on the grant and find a tentative location.

II. New Business - no new business

A. Tom D motions to adjourn. Tom M 2nds. All, YES; no NOs. Meeting adjourned at 9:55am.
